Helen (and Kim),
 As requested, here are my thoughts on the briefing document on the Pend Oreille TMDL. I have a few questions and concerns, primarily on the whole time lag/cfa issue; I may not fully understand it yet, and have talked with both Helen and Ben (thank you!) but have reached out to Ben again for some follow-up questions.

Thanks,

Kelly

Here is my draft - it is light on the regulatory implications piece. Ben and Don are going to review it today and get it back to me....by tomorrow?

Then the pressure will be on Dave, and possibly Kelly. It would be great to get this off to HQ early this week...I don't know when Sarah and Eric and John are meeting exactly but it would be ideal to get this to them before hand.
